

Boy Scout Reservation at Bayport

CAMP STAFF APPLICATION

Colonial Virginia Council, BSA

Summer 2012

[Print] Name _____

It is the goal of the Colonial Virginia Council to provide those who attend our reservation with an unparalleled camping experience. Our reservation is made up three camps including the Rappahannock Scout Camp, the Rivah Base, and CHASE. We are seeking dedicated people willing to serve the youth of our communities by joining one of this year's summer camp staff. The requirements are stiff, the work demanding, and the experience exhilarating.

The standards of the Scout Oath and Law will serve as a guide for all staff conduct. The use of alcohol or illegal drugs will not be tolerated during the period of service on staff. The use of tobacco [by adults] is restricted to areas where employees are not in contact with Scouts or their leaders.

The staff will set an example of excellence in Scouting which includes the proper wearing of the full uniform and the proper use of equipment while in camp. All summer program staff are required to provide the camp, upon their arrival, with a current health history and the results of an up-to-date physical examination per current BSA policy.
